

# How to Book a Tee Time Online

## Please read before you start the booking process:

- The person booking the reservation will be paying for all players.
- You will need to know the number of players in your group and their player types.
- If a player in your group is a member or pass holder they will need to log in and book the reservation under their profile to receive the discounted rate.

**1** **On a computer:** Go to [PurdueGolf.com](http://PurdueGolf.com) and hover over **BOOK A TEE TIME** ▾ then select the course you would like to play.

**On a mobile device:** Click ☰ to open the menu. Click **Book a Tee Time** then select the course you would like to play.

**2** Select the date, number of holes, and number of players in your group, identify their player types, then click **Continue**

**3** If you have an existing profile, log in using your email address and password.  
If you aren't sure if you have a profile, or if you have never logged in before, click **Create your account** then enter your contact information and create a password, then follow the prompts on the screen.

**4** Confirm the reservation details and enter your credit card number.  
You can choose to save the card number to your profile for future use.
