Event Registration

Registration for all weekend events will be through the IGA handicapping system, BlueGolf, or by letting any member of the Professional Staff know. Players must register online by Thursday at 5:00pm prior to an event. No late entries will be accepted unless needed for even numbers and will be first come basis. Pairings for events will be available on Friday.

Handicapping

New in 2020, the World Handicap System has made handicapping events more easy and fair. Under the new system, your course handicap is now calculated by the Course Rating and Par. There will be no reduction of strokes since there is no difference in Par across all tees on both the Ackerman-Allen and Kampen Courses. We will continue to handicap events using the World Handicap System in 2023.

Events

All Men's Tournament Club events will feature a different format each week. Due to construction, the Club will play most events on the Kampen-Cosler Course. Events will be handicapped unless otherwise stated in the event rules.

Point System

The point system will be used in 2023 to place greater emphasis on winning Men's Tournament Club events. Points earned in the Men's Tournament Club Major Tournaments will be totaled towards end-of-season prizes. Season-ending awards including the year-end point leader Player of the Year Award.
